

Our community wasn't built by one person or one company. It was built

BRICK BY BRICK, HEART BY HEART, SIDE BY SIDE.
BUILT TOGETHER. BUILT STRONG.

Today our community needs help like never before. More of our neighbors are in need, many seeking help for the first time. Our nonprofits are struggling to survive.

By giving to United Way's Community Impact Fund you join thousands of others building on our solid foundation to help local people, strengthen nonprofits and respond to community needs.
