

# Creating Impact

United Way of Ontario County's Community Impact Fund improves the quality of life for our community by focusing on Education, Health and Economic Mobility for all. See how your gift can make a big impact for people in our community.

## Education

15 programs helping 1,870 youth succeed in school and in life

- Children have access to student readiness programs
- Teenagers have the tools to be college, career and life ready

## Health

12 programs helping 18,937 individuals be healthy

- Community members have access to preventative healthcare
- People have access to programs and resources that support social and emotional health
- Caregivers of children, those with special needs and older adults have support

## Economic Mobility

10 programs supporting 25,197 community members on the path to independence

- Residents have access to stable housing, affordable child care, food and transportation
- People have access to crisis intervention resources
- Community members have opportunities to build financial literacy

Please give to United Way of Ontario County at your workplace or online at [unitedwayontariocounty.org](http://unitedwayontariocounty.org).
